Sunrise Bank
5604 N. Atlantic Ave.
Cocoa Beach, FL 32931

In late Spring of 2007, I had began to look into using a lockbox service for our association's maintenance fees. After speaking with other banks that we currently utilize, one offered the service but it was out of the state. The other bank did not have the service.

Sunrise Bank informed us that they would be providing this service locally and once it was in place, they would contact us. In November of 2007, the bank notified me that the lockbox was in place. After hearing the presentation, the decision was made to utilize Sunrise for our maintenance fees.

Since then, it has been a pleasure working with everyone at with Sunrise Bank. We are a 246 unit Association and with the assistance of Sunrise Bank staff everything has run smoothly.

Sincerely,

Dennis Gibbs, President
Costa Del Sol Condominium Association
